Event Cost \_\_\_\_\_ Dates of Absence / From \_\_\_\_\_ To \_\_\_\_\_

**I would like to attend the 2024 IEEE PES T&D Conference and Exposition, 6-9 May, in Anaheim, California.  
It offers:**

- Next-gen innovations and technologies on display from nearly 800 exhibitors that will move our industry forward—faster.
- Expert strategies we can use to solve urgent challenges such as extreme weather impacts, physical and cyber security threats, and the increased demand for resiliency.
- Opportunities for face-to-face discussions with global leaders that deliver insights on DERs, decarbonization, AI, climate disruptions, energy storage, and other hot industry topics I can bring back to our company.
- Unmatched technical programming featuring in-depth sessions that will help us accelerate the modernization of the grid and deliver a sustainable future.

### ACTION ITEM UPON MY RETURN:

I will seek opportunities to share information and insights gathered during the conference, which will add value to others on my team.

### MANAGER APPROVAL

Manager Signature \_\_\_\_\_ Date \_\_\_\_\_
